Tempers and sparks fly in Judge Darcy's courtroom - and outside, in a series of chance encounters that give each of them pause - as the two match wits and try to fight their overwhelming attraction. When they meet up in England at an international law conference, they embark on a hot, heavy affair. Back in the States, though, ethical considerations intrude, and each is subjected to a torturous period of soul-searching before they can find their way back to each other...Sara Angelini is an attorney living in the San Francisco Bay area. After earning an MS in Animal Sciences, she decided against becoming a veterinarian when she realized she only liked her own pets and moved to California with her husband to pursue law school. She is working on her third novel.
