Honoring breast cancer patients and survivors, this book offers inspiration and ideas for making beautiful quilts. The quilts and blocks featured are a few of the thousands made for Quilt Pink<sup>®</sup> events and auctioned to support Susan G. Komen for the Cure's promise to save lives and end breast cancer forever. This title features: full-size patterns for 50 blocks; easy assembly instructions; schematic illustrations for completing each quilt; 'look again' options for creating entirely new designs; comprehensive guide to quilting basics; 42 one-of-a-kind quilts offering ideas for ways to combine patterns and create original designs; and stories from quilters around the world.
