This practical guide will help attorneys new to intellectual property law demystify the intellectual property license. It reviews each of the basic issues applicable to all licensing agreements and provides an outline to assist in reviewing any intellectual property issues. It provides answers to questions such as: Why is the intellectual property being licensed? Who is authorized to possess and use the intellectual property? For how long may the intellectual property be used? How may the intellectual property be used? Where may the intellectual property be used?
