Readers for Teens provide engaging fictional stories with important themes for young learners of American English. It's summer, and Claudia wants to get a part-time job so she can buy a laptop computer. Instead, her mother takes her to Florida to see her cousins and her aunt. At first, Claudia isn't happy there. Then one day, Claudia and her cousin Leo have an adventure at the beach. It gives them a great idea on how to help the environment. This reader is about 2,200 words long.
