With over 450 audiovisual flashcards of essential idioms, Flash Forward: American Idioms is a great way to learn, study, and review idiomatic American English.

This easy-to-use flashcard program includes:

• AUDIO — hear idioms and examples pronounced by native American English speakers

• DEFINITIONS — understand hundreds of idioms through simple and clear definitions

• EXAMPLES — study American English the way it's really spoken with natural example sentences for each idiom

• TEST and LEARN MODES — learn new idioms or test your knowledge by hiding either the idiom or its definition

• CATEGORIES — choose from 20 categories of idioms organized around helpful themes

You can also CREATE YOUR OWN custom flashcards! Enter new words and phrases, upload pictures and audio, create new categories, and save your flashcards so you can use them whenever you want.

Package includes 1 CD-ROM with a software application that requires installation.
