This is a tale of friendship between two teenage girls in suburban Las Vegas. Despite their differences, the girls unknowingly share a common desire to fulfil an ancient prophecy revered by white and dark witchcraft societies. As Deidra and Jane deal with the secrets of their pasts and adolescent romances, Deidra's family seeks to protect her from impending harm -- even to the point of threatening her friendship with Jane. In the end, the friends remain loyal to each other even in the face of death and destruction. This fast-paced story will keep readers turning the pages as they follow Deidra, Jane, and the Black Cat Covenant in preserving the good within humankind.
