Kristen Britain returns to the alivey fantasya (SF Site) world of the Green Rider. A thousand years ago the armies of the Arcosian Empire, led by Mornhavon the Black, crossed the great sea and tried to conquer the land of Sacoridia aand during Karigan Galadheonas early years as a Green Rider, Mornhavonas spirit, sensing weakness in his prison walls and seeking vengeance, began to wake. With the ghostly help of the First Rider, Karigan had managed to drive off the spirit of Mornhavonbut for how long, no one could know. And now, the descendants of those Arcosians are ready to strike, reaching out to claim the land their forebears had tried to conquer. Worse, these vengeful enemies had spent generations honing their powers of dark magicaa force against which the Sacoridians had no defensea].
