""Hey everybody Come move your feet "" Says Tommy T-Rex. "I'll give you the beat "
""Tommy's claws clap-clap, his feet tap-tap, ""And his T-Rex jaws go SNAP SNAP SNAP "
This sturdy board book introduces little ones to an unusual animal in snappy
style--literally. This simple short tale tells how Tommy T-Rex sets the beat for an earth

shaking dino dance-athon. And all the while, children can SNAP-SNAP along with the animal's jaw, which forms the "top" of each book.
