From grain to glass, this is a complete look at one of the world's most popular

beverages in all its forms. This handy guide addresses every aspect of the so-called “water of life,” so that even novice consumers can gain knowledge of the basics surrounding its production and consumption. Topics addressed include whisky’s history and myths as well as tips on buying and appreciating. A guide to the various malts and distilleries around the globe round out this pocket-sized gem.
