How far will Rosa go to be just like Abby? On the other hand, how far will Abby go to be just like Rosa? Best friends, Abby and Rosa want to be just like each other. Kids are reminded to like themselves "just the way they are " through humorous situations and outlandish schemes that both Abby and Rosa undertake in these stories. Rosa and Abby's friendship is brought to life in illustrator Bonnie Adamson's soft watercolor depiction. Animated expressions and funny details capture the many moods of their enthusiastic yearning and invention. The two friends take turns being funny, sad, inventive, and enterprising.
