This volume offers a companion guide to the best-selling book *The Mentor's Guide*. This practical book offers ideas and suggestions for making the most of a mentoring opportunity for the person being mentored. It shows how to prepare for, sustain, and

bring to closure the important mentor/mentee relationship. The author guides mentees through the four phases of the mentoring process and outlines the SMART method (specific, measurable, action-oriented, realistic and timely). The book offers valuable advice for any mentee whether in the nonprofit, corporate, or government sector.
