Get more out of the "Mastering Healthcare Terminolgy" text with the companion

product iTerms! This program helps you learn terms from the Shiland text with audio definitions and pronunciations, which are also available for download onto portable media players. iTerms is an excellent review tool for auditory learners because the audio companion reviews the most important content from the text. Over 3,000 terms are available with this program, making learning easy and great for on-the-go students. Study anywhere and everywhere!
