One cold December night, Henry James Randolph III wanted to escape. His money, his heritage, his lonely life. But when the blizzard drove the sexy Melissa Monroe into his arms he made sure to avoid that trap, too. A year later, when she shows up at his Texas ranch with adorable twin boys, he can't believe his eyes. The boys look just like him. Was their night of passion a premeditated snare or a Christmas surprise? But when shots ring out, his instincts take over. He'll stop at nothing to keep Melissa and the boys safe. And he just may recognize where his true wealth lies, if it isn't too late for them all.
