More than 800 castles and fortified houses across Scotland are located and identified in this easy-to-use atlas that features an index listing visitor information and attractive illustrations. Basic information about each castle is provided, including the age and type of each castle, public access details, notable grounds and gardens, telephone numbers, and websites. Attractive line drawings of a selection of the castles as they appeared at the end of the 19th century are also provided along with a brief account of their history.
