More than 120 irresistible recipes reflecting the different lifestyles and tastes of a mother and daughter who love to cook.

While growing up, Devin Connell absorbed much about the pleasures of food and cooking in the kitchen of her mother, Linda Haynes. She too became an exceptional cook, with her own style. Two Dishes gives mother and daughter's distinctive takes on a similar theme: one using timeless techniques, the other embracing an improvisational, budget-conscious approach. Linda makes Moroccan Spiced Cornish Hens with Roasted Oranges, Onions, and Figs; Devin offers Sesame Chicken with Mango, Green Onion, and Ginger Salsa. The recipes range from tempting comfort food and last-minute snacks to elegant brunch and dinner-party dishes, all complemented by gorgeous full-colour photography throughout.
