Coming in paperback: the groundbreaking graphic memoir that has inspired breast cancer patients to fight back — and do it with style.

“What happens when a shoe-crazy, lipstick-obsessed, wine-swilling, pasta-slurping, fashion-fanatic, about-to-get-married big-city girl cartoonist with a fabulous life finds . . . a lump in her breast?” That’s the question that sets this powerful, funny, and poignant graphic memoir in motion. In vivid color and with a taboo-breaking sense of humor, Marisa Acocella Marchetto tells the story of her eleven-month, ultimately triumphant bout with breast cancer—from diagnosis to cure, and every challenging

step in between.
