Mountains are an impressive sight anywhere in the world but those of the western mountain region of North America offer riches that are truly unique. This lavishly illustrated picture book presents snowcapped peaks, emerald lakes, tall pines and magnificent maples, and a range of birds and animals that will fill readers of all ages with wonder.

The treasures and mysteries of nature are depicted in twenty-six full-color paintings, each with a line of alliterative text. Objects that begin with that letter of the alphabet are waiting to be discovered in each illustration. Complete with detailed information about each setting painted, this is a visually and mentally stimulating experience – from A to Z.

From the Hardcover edition.
