"Legal Writing" guides students comprehensively through this vital legal skill, and addresses a range of examining methods, from questions to final essays and problem answers. It considers how to deconstruct essay and problem questions and how to conduct and apply legal research to answer set questions. This book explains how to reference others' work clearly and correctly, and is a useful tool for students concerned about issues of plagiarism. It also focuses on how to develop and communicate legal arguments, and both good and bad examples of written work are considered and discussed.

简单实用，结构清晰完整，referencing那一章很有帮助，可惜我图片太大不能上传到读书笔记，好烦，豆瓣就不能把图片大小限制在5M么。。
