The captain of this brave and bumbling pirate crew has ordered them to capture the entire alphabet - and they'll walk the plank if they're missing a single letter! Now these swashbuckling mateys are embarking on an alphabet adventure unlike any other, and they won't (ahem, can't) rest until they've found an A, a Z, and everything in between. June Sobel's hilarious text and Henry Cole's adventurous animal pirates harmonise in an irresistible book for alphabet-learning, pirate-loving kids everywhere.
