This is a unique collection of delightful pebble designs that are packed with personality, making them the perfect desktop companion. Easy-to-master techniques include layering your pebbles with paper, moulding details out of modelling clay and

creating fur. Create cute accessory projects to accompany the pets, including collars, bones, dishes and beds. This title features 30 lovable creatures displayed in a range of realistic poses, from rabbits and rats to dogs and cats. With easy-to-follow techniques, clear step-by-step instructions and adorable photography, you won't be able to resist creating a loyal companion for life.
