This is a collection of 50 fun and sassy cross stitch sayings to remind us not to take life too seriously. Each themed chapter presents the ideal answer to the endless demands on a woman's time - husbands, chores, children and work. Whatever the crisis, these

witticisms are sure to put a smile on your face! As well as hanging signs, framed pictures and cards, a great selection of project ideas have been developed to help you share the fun with your family and friends. This book offers perfect gift ideas for your girly pals; choose from, among many others, a piggy bank patch (Money can't buy love but it can buy chocolate), a desk diary (Better days are coming, - they are called Saturday and Sunday) and a potholder (Dinner is ready when the alarm goes off).
