A compact, easy-to-use guide, The Writer,s Brief Handbook offers clear definitions,

helpful explanations, and up-to-the-minute reference tools to answer any question you may have about grammar, the writing process or research. Using clear, non-technical language, The Writer,s Brief Handbook has gained a reputation for being student-friendly, and the easy-to-use. It provides four different ways for students to diagnose a problem and find an answer, making the text ideal as a stand-alone reference.
