出版者:

出版时间:2009-8

装帧:

isbn:9780135126776

Fire Service Personnel Management is written with basic public personnel management concepts and incorporates fire service applications and examples

throughout, while serving as both a successful text in the classroom and as an excellent resource for promotional officer candidates. Updated topics include: fire service personnel development, professional qualifications, recruitment, and diversity issues. The book is a top-notch resource for promotional officer candidates and current managers in the fire service.
