Animals from around the world are going on vacation. They are all booked to travel on Animal Airways Can you count how many passengers get onboard at each location as the little plane flies through the pages? Learning basic skills is fun and easy with the books in the ribbon series. Each time a child turns the page, the character pops out on a flexible ribbon and highlights a new concept. Children will learn counting, colors, and shapes. Each book in the series features whimsical, rhyming and repetitive text that appeals to emerging young readers.
