His doctors are the best in the world, his father one of the most powerful men in the state. But they couldn't stop Mikey from succumbing to his darkest demons - the ones inside his head. The ones who told him it was time to end it all. It should have been an open-and-shut case, especially since detective Claire Morgan's lover, Dr Nicholas Black, recognized Mikey as a former troubled patient. Then Claire finds another body in Mikey's home. Curled inside an oven, charred beyond recognition, the method of murder mind-boggling...Claire's only lead is a beaded bracelet around each victim's wrist, believed to ward off the 'evil eye'. But by the time she discovers what the dead were afraid of, she's trapped in a mind game of her own - with a brilliant, sadistic killer. And this time, there's method to the madness...
