The Demon Prince of Undeath is calling you out!

This epic-level D&D® adventure is designed to take characters from 27th to 30th level. In this adventure, the demon lord Orcus tries to usurp the Raven Queen's power over death using a shard of evil plucked from the depths of the Abyss. Only the world's

most powerful heroes have the slightest hope of stopping him.

This adventure can be played as a stand-alone adventure or as the final adventure in the “E” series of adventures that began with E1 Death’s Reach™ and continued with E2 Kingdom of the Ghouls™.
