New York Times bestselling author Kay Hooper spins a tale of ageless love and the power of fate, in which dreams from the distant past imperil one woman's search for a passion that transcends history.

They first met in a darkened loft, in the middle of a blackout, but the power of attraction supplied all the juice that Alex Bennet and Noah Thorne required. Noah was Alex's match in every way, while the onetime lion tamer turned world-class interior designer possessed just the air of wildness that Noah preferred in a woman. Inexorably, they found themselves drawn together. So why was each haunted by dreams of the other that seemed to hint at secret lives in bygone times and places—and a relationship fated to end in separation? For Alex, the solution may lie in a Gypsy fortune-teller's

prophecy. To repeat the past is the one thing neither of them wants—but how do you overcome the pull of a destiny that is stronger than time itself?
