Meet Liberty Porter. She's a regular nine-year-old girl with a lot going on. First of all, her dad has just started a new job. And she has to move to a house in a new city. Oh, and the really big thing? Her dad? His new job is president of the United States. That's right. So the house is the White House, and the city is Washington, D.C. That means Liberty Porter is going to be First Daughter and she is super-excited. This is the start of an amazing adventure for Liberty, for the Secret Service who follow her everywhere (ha), and for her dog, Franklin, who makes life in the big White House more exciting -- especially when he's barking at tourists. Join Liberty as she turns life in Washington (and the rest of the country) upside down in this fresh and funny novel from Julia DeVillers, author of "How My Private Personal Journal Became a Bestseller" and coauthor of "Trading Faces."
