From the early decades of the Indy 500 to the modern super speedways of NASCAR, from the 24 hours of Le Mans to drag racing's 4.5 second quarter-mile runs, this is the story of one company's pursuit of performance and the glory that came with it. With profiles of some of the greatest racers in this history - Richard Petty, 'Big Daddy' Don Garlits - and stories of the Hemi, Superbird, and many other racing legends coupled with hundreds of colour and black and white archive photographs this is a book to

appeal to any Chrysler, Dodge, Plymouth and MOPAR enthusiast.
