New 5th Anniversary Editions include Bonus Graphic Novels. An Adrenaline-Laced Epic Where Dreams and Reality Collide. Fleeing assailants through deserted alleyways, Thomas Hunter narrowly escapes to the roof of a building. Then a silent bullet from the night clips his head . . . and his world goes black. From the blackness comes an amazing reality of another world where evil is contained. A world where Thomas Hunter is in love with a beautiful woman. But then he remembers the dream of being chased through an alleyway as he reaches to touch the blood on his head. Where does the dream end and reality begin? Every time he falls asleep in one world, he awakes in the other. Yet in both, catastrophic disaster awaits him . . . may even be caused by him.

Some say the world hangs in the balance of every choice we make. Now the fate of two worlds hangs in the balance of one man's choices.
