From a best-selling author - 17th-century Rotterdam. Young Saskia is lady's maid to wealthy merchant's wife Vrouw Gibbons, but her talent for manufacturing beautifying face balms far exceeds her lowly status. When the Gibbons family returns to England, Saskia goes with them and sets up in business selling the beauty products which have earned her a devoted clientele, and hopes to win the heart of Grinling Gibbons, her employer's only son, a man whose interests lie elsewhere
