The Lone Star State is so vast it includes just about everything — including ghosts! This guide is divided into regions to make it easy to find the phantoms. North Texas offers such creepy destinations as the Old Alton Bridge and Miss Molly's Bed & Breakfast. West Texas spooks haunt the Permian Playhouse and Historic Fort Davis. In Central Texas, they've been spotted terrorizing the Driskill Hotel and the Austin Pizza Garden. More than 50 spooky sites are here, along with detailed maps and photographs of each haunted locale.
