The greatest surfers on earth talk about their lives and careers in this book: from ironman Laird Hamilton, seven-time world champion Kelly Slater, musician Jack Johnson, Andy and Bruce Irons, Duke Kahanamoku, Lisa Andersen - one hundred of the greatest surfers from around the world talk candidly about their life, career, and what it means to live to surf. Fact-filled, and with dramatic photographs of these surfers in action this book is certain to appeal to any surfer, or water sport enthusiast,

and is full of rare photos and first-person accounts that only legendary surfer Duke Boyd could collect
