Kathleen Long Bostrom and Peter Graystone provide the ultimate to do list: ninety-nine things that everyone should experience during their time on earth. From the sublime (watch the sun rise), to the wonderfully silly (ride a roller-coaster!), the activities presented will breathe new life into readers' lives while opening them up to new spiritual experiences. Each entry provides a description of the activity, what the reader can expect to gain from it, and how much of a time commitment it will require. Blank space is included to record memories of and thoughts about the experience.
