This latest volume in the ever-popular WJK Armchair series turns its sights on contemporary theologian Dietrich Bonhoeffer (1906-1945). Born in Breslau, Germany, Bonhoeffer led quite an intriguing life. This book, with dozens of illustrations by artist Ron Hill, highlights Bonhoeffer's background and theological education; his time at Union Seminary in New York City; his involvement in the resistance movement against Adolf Hitler; and his participation in the plot to assassinate Hitler. Written by experts but designed for the novice, the Armchair series provides accurate, concise, and witty overviews of some of the most profound moments and theologians in Christian history. These books are essential supplements for first-time encounters with primary texts, lucid refreshers for scholars and clergy, and enjoyable reads for the theologically curious.
