The sequel to her acclaimed debut novel, Jennifer Chiaverini's "Round Robin" is a poignant tale of friendship and loyalty. The Elm Creek Quilters have begun a Round Robin quilt, created by sewing concentric patchwork borders to a central block, as a gift for their beloved fellow quilter Sylvia Compson. But even as the quilt is passed from friend to friend, its eloquent beauty increasing with every stitch, the threads of their happiness begin to unravel. As each woman confronts a personal crisis, a painful truth, or a life-changing choice, the quilt serves as a symbol of the complex and enduring bonds between mothers and daughters, sisters and friends.
