The voters have spoken: these presidential word-search puzzles win by a landslide. From George Washington and Abraham Lincoln to Bill Clinton and Barack Obama, these patriotic word searches introduce children to every president of the United States, plus their first ladies, and the White House. Each puzzle features words associated with that particular president, a biography, and facts about his birth place, education, family, occupation, political party, age at inauguration, campaign slogan, and more. So while kids work their eagle eyes trying to solve the puzzles, they'll be learning about US history, too.
