The eagerly awaited third novel in Patrick F. McManus's bestselling mystery series finds Sheriff Bo Tully with his hands full of elusive killers, eccentric backwoods characters, and irresistible women in this latest romp through the wilds of Blight County, Idaho. Sheriff Bo Tully is the kind of western lawman who's as good with the ladies as he is with his guns, and he never lets a death threat get in the way of a good barbecue. He's a man with a sense of humor, which comes in handy when trying to establish order in Blight County. In this latest tale, Tully pursues a seventy-five-year-old missing persons case in which a pair of gold miners (a two-man drilling team known as a double-jack) mysteriously disappeared just as they hit the mother lode in a remote part of Blight County. Meanwhile, a second, more threatening case looms large. After serving only two months of a life sentence, a mentally unstable murderer named Kincaid -- a nasty piece of work if there ever was one -- manages to escape prison, setting his sights on killing the man who put him behind bars: one Sheriff Bo Tully. In an effort to lead his would-be killer into the open, and also to do a little gold prospecting and fishing while he's at it, Tully heads north with his ex-sheriff father, Pap, and his friend and expert tracker, Dave. As the two cases play themselves out, Sheriff Tully finds himself hunting down one murderer who's probably long dead, and being hunted by another who's very much alive. A fast-moving tale of murder, mayhem, and mining, "The Double-Jack Murders" is Patrick F. McManus's darkest, most entertaining mystery yet.
