This little Piggy's got a brand-new format--in board, with an actual (but non-removable) pacifier on the cover Ducky has a great new game that he'd like to share with his friend: "peekaboo " Piggy wants to play, too, but every time he tries to smile or call out "I see you " his pacifier gets in the way. Will Piggy forget about his pacifier...or forget about having fun? Once again, Bernette Ford and Sam Williams treat a toddler's rite of passage with sensitivity and charm.
