Part rock trivia contest, part encyclopedia of excess, "The Official Heavy Metal Book of Lists" features over 150 lists that chronicle rock and roll's most enduring genre. Ever

wanted to know the names of Alice Cooper's snakes? The names of Spinal Tap's dead drummers? Which metal stars have made celebrity sex tapes? Get ready to be thrown headfirst into a mosh pit of wacky, wild, and weird lists from metal's hardest-hitting stars - members of Motorhead, Sepultura, Guns N' Roses, Vixen, Biohazard, Whitechapel, Deathklok, and GWAR are among the heavyweights who cast their ballots herein (not to mention porn stars, Air Guitar champs, and the director of Heavy Metal Parking Lot).
