From choosing and tuning your first electric guitar through to forming a band and getting your first gig—here's a crash course in rock guitar technique, which will have you riffing like a pro in record-breaking time! Using speed learning techniques to master the essential basics of rhythm and lead guitar technique, you will also gain an understanding and practical knowledge of music theory—all taught in a fun and irreverent style. With all essential chords and scales included, as well as dozens of the riffs, licks, and tricks used by rock's hottest lead guitarists, this book teaches you everything you need to get out of your bedroom and onto the stage. The

accompanying CD includes more than 20 riffs inspired by world-famous rock and metal classics, and dozens of hot licks covering essential techniques: bending, sliding, vibrato, and phrasing; two-handed tapping, harmonics, arpeggios, and speed picking are all broken down step by step in an easy-to-follow fashion that will ensure you are never at a loss when the time comes to take to the spotlight!
