D'Anu witch Silver Ashcroft knows she walks a perilous line by practicing gray magic. But it's the only way to protect herself from the evil that surrounds her. After the horrors she has witnessed, Silver thinks she is ready for anything...until the most intensely arousing being she has ever encountered swiftly--and sensuously--proves her wrong... Hawk is a Tuatha D'Danann warrior--powerful beings descended from the Fae. And for him duty has always come before pleasure. Then, clad only in moonlight, Silver Ashcroft welcomes him to her city of San Francisco and makes his blood sing with a passion beyond compare. She is the embodiment of fantasies he never knew he had, but the terrifying reality of his mission lurks in every shadow... Only the strongest will survive the upcoming battle, and the forces of darkness are more powerful than ever. Now, warrior and witch must trust in their hearts above all else--for to claim victory, they first must claim each other...
