Buffalo Bills football dates back to 1960, when the team became a charter member of the fledgling American Football League. Of the thousands of Buffalo Bills plays that have occurred at Buffalo War Memorial Stadium, Rich Stadium, Ralph Wilson Stadium, and elsewhere, some are destined to be remembered for the ages. These are the players that won games, altered the course of seasons, and put exclamation points on careers. In *Game Changers: The Greatest Plays in Buffalo Bills Football History*, authors Marv Levy and Jeff Miller dig deep into the annals of Buffalo Bills football and extract

these critical moments, bringing them back to life with an enthusiasm that will delight every fan who think of Orchard Park, New York, as a home away from home.

Who can forget O.J. Simpson breaking the 2,000-yard single-season rushing mark in 1973? Or Jim Kelly's game-winning two-yard touchdown run against the Dolphins in 1989? And do you remember Mike Stratton's Hit Heard Around the World on Keith Lincoln in the 1964 AFL title game? These and others are among the best plays in Buffalo Bills history and helped build the team into the legendary organization it is today.

Levy and Miller have researched the team's history and assembled the plays that clinched victories, won championships, or earned bragging rights in the team's long-standing rivalries with opponents such as the Miami Dolphins and the New England Patriots. All of the plays are lavishly illustrated with accompanying photographs, most in full color. In addition, fans will relish player and coach profiles, quotes from the play's participants, and statistics for the game in which each unforgettable play occurred.

Guaranteed to provide hours of entertainment and to spark spirited debate

Pro Football Hall of Fame coach Marv Levy and football historian Jeff Miller deliver an insightful view of the Buffalo Bill's most remarkable plays in *Game Changers: The Greatest Plays in Buffalo Bill Football History*. Each of the plays is presented in a detailed text with beautiful photographs, scoring summaries, and related quotes from the men who were on the field. This is an essential read for every Bills fan or for anyone looking to learn more about the most crucial game-changing plays in the team's storied history.

I told O.J. during the summer, Lets shoot for two grand and really set the world on fire, and we did. Guard Reggie McKenzie on O.J. Simpson setting the single-season rushing record

I took the snap, took one step back, and started running. I knew I only had a couple of yards to go, and I was hoping I was going to make it because I knew if I didn't, boy, I'd be hearing about it the rest of my career. Quarterback Jim Kelly on his game-winning touchdown run to defeat the Dolphins in 1989
