Guide and Record Book. This edition, revised and updated for the 2008-2009 season, features an easy-to-understand expanded format, new statistics, an index of every retired player since 1917, a detailed break-down of all the hot prospects, and information on every current player. With over 600 pages of information, this is the only book you'll need to enjoy an exciting season. You'll learn about historic game-winning goals, team captains and award winners, finally understand the NHL draft, and settle your friends' disagreements over who had the longest winning streak. You will also get all the information you need to follow the leagues newest franchises: the Columbus Blue Jackets and the Minnesota Wild. Researched and compiled by the National Hockey League, this is the one-and-only official reference on hockey, used by sports media throughout the world, and featuring hundreds of brand-new photos.
