Last Will & Testament Line by Line offers an in-depth explanation of the nuts and bolts involved in drafting a Last Will & Testament. This book provides readers with crucial information regarding the meaning of commonly used provisions in a Last Will & Testament, as well as information surrounding issues that often affect the ultimate administration of a Last Will & Testament. The reader will gain insight into who should have a Last Will & Testament and the drafting process required, including ways in which the estate planning practitioner can add value for the client. Last Will & Testament Line by Line is a comprehensive and integrated book on the drafting and meaning of the Last Will & Testament, and is truly an indispensable resource for estate planning practitioners and clients alike.
