Romance readers have taken to Maggie Brendan's softer romantic style that perfectly captures life on the American frontier, introducing them to rugged, independent souls and their inner spiritual struggles, and the quest for love that makes for a satisfying read every time. Set in 1890s Montana, "The Jewel of His Heart" finds Juliana drawn to a handsome, gentle shepherd--but sparks fly when he considers mining, the occupation that lured her father away from his family. Both Josh and Juliana must make a choice--the world's riches and promises, or the eternal value of love.

Praise for Maggie Brendan's first book:

"You won't want to set this book down."--"Romantic Times," 4 1/2-star review

"This gentle romance set among the rugged beauty of the Colorado foothills will warm readers' hearts."--Kim Vogel Sawyer
