Sweet Nothings and sexy somethings: that's what's in this delicious collection. Lovely lingerie is one of the trendiest items with the hip sewing crowd—and these creative designs are adventurously fun, extraordinarily pretty, and wonderfully

sensuous. With everything from low-rise panties and camisoles to comfy PJs and slinky robes to choose from, women will delight in discovering their personal style—and even adding their own flair to the delectable garments. A basics section covers everything stitchers need to get started!
