Ever wonder how Santa delivers so many presents in just one night? Why he never gets stuck in a chimney? Or what he does when the holidays are over? Guess no more, because the truth is finally revealed Enter Santa's secret world with this delightful book, which features fun pop-ups--including the amazing gift-making machine and a sleigh that practically flies off the page. A child's letter to Santa appears on every spread, along with his tell-all answer. It's perfect for parents and kids to share as they await the arrival of Old St. Nick Santa's secrets include: - Where he lives in the North Pole - Why no one sees him as he drops off his goodies- What kind of sleigh he drives- How he makes all those presents in time and more
