Create treats for dogs that are fun and simple to prepare and use fresh ingredients. Recipes include Egg-Zactly Muffins, Beef Stew Biscuits, Full-o-Fishes Knishes and Bow-Wow Birthday Cake. Although the flavours are dog-centric not people pleasing,

they are all safe for humans to eat! Just like humans, our four-legged friends have to eat well in order to stay healthy and "Chow Hound" has treats that will set dogs' tails wagging. Every recipe here is easy and fun to prepare and made with the good, fresh, simple ingredients that dogs like best. There are chapters on muffins, pies, quick breads, biscuits and scones, bar cookies, turnovers, quiche, 'desserts' and holiday treats. None calls for much salt and there's no processed sugar at all. And, although the flavours are dog-centric not people pleasing, they are all safe for humans to eat.
