Mistletoe and cookie cutters, step aside. Klutz presents the feel-good activity of the holiday season -- Christmas Velvet Art. The plush format first introduced in Velvet Art now bursts with holiday cheer, just in time for Christmas. Jolly Santas, soaring reindeer, gingerbread houses dripping with icing — the very best parts of our favorite time of year are here, all dressed up in fabulous black velvet. To add your own flair, just grab one of six vibrant markers that come with the book and start coloring. The napped velvet makes it impossible to go outside the lines, so your coloring comes out

crisper and cleaner than ever before. An array of illustrative styles (some fanciful and pretty, others cartoony and cute) offers something for everyone. The book comes with eight pages of festive velvet designs, both full-page illustrations and special punch-out ornaments, greeting cards, a picture frame, and gift tags. Use them to make keepsakes, decorations and one-of-a-kind gifts for Grandma. With Christmas Velvet Art, your coloring comes out as warm and fuzzy as the season itself.
